## HYPE Festival Performance Requirements

Dear Families,

After many hours of practice the Hype Performance is upon us. As you know our performances are on:

- *Monday 5<sup>th</sup> August matinee and evening performance*
- *Wednesday 7<sup>th</sup> August evening performance only*

Matinee performances: could all students please ensure they are at school no later than 9am..

Evening performances: students need to arrive at 6:00pm at Cambridge Park High School. Our holding rooms are located in the building directly across from the hall. A sign on and out table will be outside our holding rooms. We will have our school banner visible for families to know where to sign in and out. As the holding rooms are a high traffic area, only performers and supervising teachers are able to be in the holding rooms.

Please note there will be times when the rooms are unattended and we advise that all valuables including mobile phones are not brought in. Playing cards, books and activities are encouraged. The school excursion mobile number is 0467794177 should you need to contact us on the night.

In preparation for our performances there are a few requirements which we would like to request.
