Smith Family Learning Club Expression of Interest

Dear Families,

Recently we conducted a survey around how many families would be interested in their child/ren attending an after school Learning Club. The results of this survey indicated that many families would be interested and so we have decided to go ahead with the Learning Club run by the Smith Family.

The Learning Club will be held on **Monday afternoons 3pm - 4pm** at our school in term 2 and is free of charge. It will provide students with the opportunities to participate in many different fun activities including science experiments for kids. Students will also be able to bring their homework if they choose and complete it at the Learning Club.

The Learning Club will be run by employees of the Smith Family, volunteers and Mrs Donna Sirmais, our schools Community Partnerships Officer and Teacher. After school refreshments will also be provided for all attending students.

Please note numbers are limited, due to this, we request that if your child joins the Learning Club it will be for the whole term. In addition if your child does not attend for 3 consecutive weeks their space will be given to another child.

We will also be providing an information session on Thursday 4th April at 2:30pm for any interested families who would like more information.

If you would like a registration form provided to you, please fill out the reply slip below and return to the front office by Wednesday 3rd April. Also if you would like to attend the information session please fill out the relevant section.

If you have any questions please contact Mrs Sirmais on 47212556 or email Donna.sirmais1@det.nsw.edu.au. We hope your child will join us for this fun and free activity at our school.

Mr N Bourke
Deputy Principal

Mrs D Sirmais
Community Partnership Officer
