2020 School Community Fundraising: We need your help

Welcome to the 2020 school year, it's great to see our new families in our school community and a huge welcome back to all our existing families also. This year the school's fundraising efforts will be focusing on creating a sporting facility in our back playground for our students and families. To work towards achieving our goal we are asking for your support.

Whilst we have a few regular fundraisers that are consistent each year, we would also like some new ideas. At this point in time we are asking if there are any parents who would like to work alongside the school in planning and organising events. Previous experience is not necessary as you will be working alongside the school. You are not required to be a part of every fundraiser, you may be able to only assist with one for the year.

If you would like to assist the school in planning and organising a fundraiser, please either fill out the slip below and return to the front office or email Donna Sirmais donna.sirmais1@det.nsw.edu.au or call on 47212556, alternatively you can come and see Donna at the school. We are also happy to make accommodations for any families who work and are unable to attend day meetings.

We look forward to working together with you for the benefit of our students

Kind Regards

Neil Bourke
Acting Principal

Donna Sirmais
Partnerships Officer

Fundraising Event Coordination Reply slip

Please return to the front office by Thursday 20th February 2020

I would like to assist in coordinating the following event

my name is I can be contacted on.....
