Smith Family Learning Club Expression of Interest

Dear Families,

Once again this year our Smith Family Learning Club will be operating.

The Learning Club will be held on **Monday afternoons 3pm - 4pm** at our school and is free of charge. It will provide students with the opportunities to participate in many different fun activities including science experiments for kids. Students will also be able to bring their homework if they choose and complete it at the Learning Club.

The Learning Club will be run by employees of the Smith Family, volunteers and Mrs Donna Sirmais, our schools Partnerships Officer and Teacher. After school refreshments will also be provided for all attending students.

Please note numbers are limited, due to this, we request that if your child joins the Learning Club it will be for the whole term. If your child does not attend for 3 consecutive weeks their space will be given to another child.

If you would like a registration form provided to you, please fill out the reply slip below and return to the front office by Thursday 6th February 2020.

If you have any questions please contact Mrs Sirmais on 47212556 or email Donna.sirmais1@det.nsw.edu.au. We hope your child will join us for this fun and free activity at our school.

Mr N Bourke
Acting Principal

Mrs D Sirmais
Partnership Officer/Teacher
