HEARTKIDS AWARENESS MUFTI DAY

Friday 14 February, 2020

Cambridge Park Public school is supporting HeartKids and Sweetheart Day by raising money with a Mufti day on Friday 14 February 2020.

HeartKids is the only charity in Australia dedicated to supporting children, teens and adults affected by congenital heart disease. Congenital heart disease is the single largest killer of Australian babies. Eight babies are born with congenital heart disease every day in Australia and four of those lives are lost each week.

Please support this worthy cause by **wearing red or mufti and bringing a gold coin donation** on Friday 14 February, 2020.

Mr N Bourke
Acting Principal
