- Fri 14 September**—
Playgroup 9-10.30am
PSSA sport
PBL Assembly K-2-
Crocodiles
- Tue 18 September** —
Playgroup 9-10.30am

Thank you everyone for celebrating Education Week and our 60th Birthday with us. It was fantastic to have so many visitors in the school on Bring Your Family to School day and our students loved having the opportunity to spend time with you and show off their amazing skills and talents. The Obstacool course was a great way to end our day and it was amazing to see so many of our parents/carers, relatives and friends joining in as well.

HYPE

Well done to all choir, dancers and presenters that were involved in the HYPE performance last week. Thank you to Miss Pellizzon, Mrs Sirmas, Mrs Crocker, Miss Russell, Mrs Labour and Miss Maynard for giving up your time to be there with our students on the night, and thank you to all our parents who managed to get the performers there and sat in the audience to cheer them on. It was fantastic to see our students doing an amazing job on the stage.

Courtesy to Neighbours

Please remember to be courteous of our neighbours as you arrive to and leave the school. Please be sure to only park in the marked parking areas and make sure that we are being conscious of not leaving rubbish in our neighbours yards. It would also be appreciated if all

families can remind their children to be safe when walking/riding to and from the school. New laws exist to support students of primary school age being able to ride their bikes on the footpath which supports them not being on the road, however, all students walking to and from school need to remember to be safe when approaching driveways, as cars don't always see them coming.

Inclosed Lands Protection Act

Just a reminder that our school is Inclosed Land and that there is no access to the school site outside of school hours, unless attending a planned program on the school site. If attending OOSH, karate, church or Chinese sessions at the school, all visitors must stay in the designated areas of the programs hire. Access to individual classrooms and playground areas is not permitted. People who are found to be trespassing on school property may be excluded from the school site, in accordance with the Inclosed Lands Protection Act, for a period of up to 12 months.

Mr Bourke

Deputy Principal

Traditional and innovative teaching in well-managed classrooms

STAGE 1 NEWS

These are some of our Stage 1 students participating in Art Club last term. They enjoyed using different mediums to create artworks.

Ms Durant

KINDERGARTEN NEWS

Thank you to all of our families for coming to visit our classrooms on 'Bring Your Family to School Day'. We loved showing you all the hard work we have been doing throughout year. For the rest of the term we are going to continue sharing our learning focusing on one Kindergarten class each fortnight.

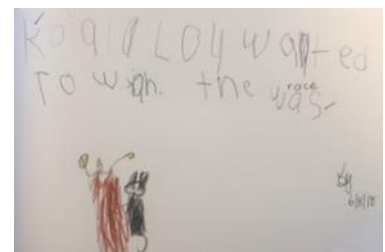

The Possums have made a great start to Term 3 and have been very active learners!

In Mathematics the Possum's are learning how to do subtraction. They have been practicing taking objects away and working out how many are leftover. Possums are becoming great Mathematicians who use many strategies to solve subtraction problems including using real objects, fingers, number lines and ten frames. The Possums

are becoming more confident at counting backwards.

Last week we really enjoyed reading the story Koala Lou. After discussing the story in our talking circle we all tried hard to write a sentence about the book. We are learning to use capital letters at the beginning of our sentences and to remember full stops at the end. We made artworks of a Koala in a tree just like Koala Lou.

Teacher

Traditional and innovative teaching in well-managed classrooms

STAGE 3 NEWS

I can't believe that we are in semester 2 already. We have some great programs this term whereby the students will test their creative abilities while they learn about designing, making and manufacturing products. To make this successful, we are asking parents if they have any empty tin cans, glass jars with lids, white t-shirts, lace and/or arts and craft materials if they could please bring it into the school.

I would like to thank all the parents, grandparents and carers who attended our Bring Your Family to School day last week. It was fantastic to see so many families in the school.

Stage 3 are currently in the process of planning their annual fete. Students have chosen groups and activities that they wish to do. In the next couple of

weeks, your child will bring home their group's activities and the resources that they will need to provide to help it run successfully. If there are any issues or concerns surrounding this please let me know.

All students need to ensure they come with equipment to successfully participate in their learning. Basic equipment includes pens, lead pencils, rubbers, glue and textas. We are also running low on tissues and baby wipes so any contributions towards these items will be greatly appreciated.

Mrs Hansen
Stage 3 Supervisor

LIBRARY NEWS

There are lots of wonderful new books in the library so please bring your library bags every week.

Book Fair.

Book Fair was a huge success in which we raised over \$2000.00 towards Scholastic books for the Library. Scholastic has assured me our ordered books should arrive shortly.

Ms Hunt.

Keep Reading!

Book Week Theme:

Find your Treasure!

Book Parade!

Our Book Parade is on Wednesday 22 August at 12pm in the Western Quad. I have been talking with students about the characters they may choose to dress up as!

There are lots of ideas online! Please keep costumes simple and if possible involve children in making them. This will help to keep the price down and be a fun activity for the students.

PRESCHOOL NEWS

We are starting our vegetable garden and would love if parents were able to donate a vegetable seedling for the children to plant. Thank you to those parents who have already kindly donated. We are discussing with the children where vegetables come from and how they grow. The children are also helping to care for the seedlings.

Preschool will be participating in the school's Book Parade on Wednesday 22nd August. As the parade commences at 12pm you are welcome to bring your child either after the morning session finishes or

before the afternoon session starts. Preschool educators will be attending and will have a mat for the children to sit on.

Preschool will also attend the Fathers Day stall on Wednesday 29th August and the Sports Carnival on Thursday 30th August.

Thankyou
Preschool Educators

IMPORTANT INFORMATION FOR PARENTS AND STUDENTS

The Department recognises that some families will be subject to family breakdown. In the absence of any notification to the contrary, it will be assumed that both parents retain a shared and equal parental responsibility for their children and have been involved in making any decisions regarding their children's education. This means that the school will recognise that each parent has equal duties,

obligations responsibilities and opportunities in relation to matters involving the school.

If any changes occur in your family relationships which have the potential to impact on the relationship between the school and your family, you are required to advise the school immediately. This includes providing copies of any court orders that may be obtained.

ANAPHYLAXIS AND US

As mentioned in previous newsletters we have several children and staff members at our school who are anaphylactic. If you are sending food to school to be shared with other children eg: birthday cakes or cakes for sale, please be very careful to read the ingredients and ensure that they do not contain peanuts, tree nuts and nut products. Some of our children are also allergic to eggs and milk.

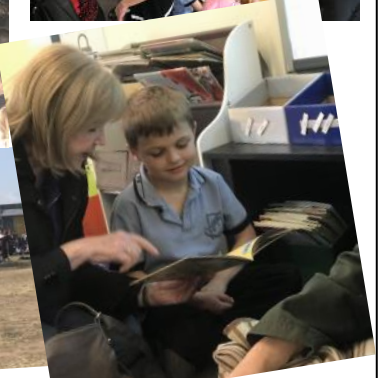

Please also send in the packet ingredients so that we can check them for ourselves.

Other ways to support us to keep everyone safe are:

1. Talk to your children about allergies and how serious they can be for some people so they must not ever share their food with other children. Its not mean to not share food its keeping people safe.
2. Discuss how important it is to wash hands before and after eating so that food allergens don't get transferred onto other people or their food.

Thank you for working with us to keep our children safe.
