NAPLAN

This week the NAPLAN results for 2019 have been released to parents of students in Year 3, 5, 7 & 9. Due to us completing NAPLAN online this year, and the release of new software for teacher evaluation, the staff have not yet had ample opportunity to review the data in detail. Over the course of Term 4 the teachers and school leadership team will analyse our results and begin to make plans for the 2019 school year. As we make sense of the data we will begin to release information to our wider school community through the newsletter. If you have any specific questions relating to the individual analysis of your child's results, please make an appointment to meet with their classroom teacher.

TAG YOU'RE IT!!!

Happy holidays to all of our students, parents and community members. It has been a massive term, with so many events happening around the school, including, excursions, incursions, carnivals, Bring Your Family to School Day, fun events, fetes and a myriad of mufti days and dress up occasions. Your continued support of our school and all the events we offer the students is always appreciated. This term we would particularly like to thank you for your involvement in the Fiver For a Farmer

day and the SRC's Footy Colours day children's cancer fundraiser.

Next term does not get any slower with another massive term of learning opportunities, as well as, a variety of extra-curricular activities. Take the time over the holidays to spend some time with your children and relax to recharge the batteries for next term. Please remember to stay safe during the holidays so that we all return to school safe and ready to go.

Have a safe and happy holiday and we look forward to seeing you all back at school happy, healthy and enthusiastic. School resumes on Monday 15 October 2018 for both students and teachers.

STAGE 1 NEWS

Stage 1 have been working hard on number talks and writing everything they know about a given number. Here are some pictures showing the Kingfishers working on number talks as well as measurement using informal units, exploring two-dimensional shapes and base 10 using the 1's and 10's columns.

Please remember to pay for the Stage 1 excursion as soon as possible. We want all of our students to attend and benefit from this fabulous learning experience!

Mrs Wallace
Stage 1 Supervisor

A massive thank you goes out to the Cambridge Park School Community for getting behind the Jersey day and the raffle that went along with it. ANAPHYLAXIS AND US

As mentioned in previous newsletters we have several children and staff members at our school who are anaphylactic. If you are sending food to school to be shared with other children eg: birthday cakes or cakes for sale, please be very careful to read the ingredients and ensure that they do not contain peanuts, tree nuts and nut products. Some of our children are also allergic to eggs and milk.

Please also send in the packet ingredients so that we can check them for ourselves.

Other ways to support us to keep everyone safe are:

1. Talk to your children about allergies and how serious they can be for some people so they must not ever share their food with other children. Its not mean to not share food its keeping people safe.
2. Discuss how important it is to wash hands before and after eating so that food allergens don't get transferred onto other people or their food.

Thank you for working with us to keep our children safe.

IMPORTANT INFORMATION FOR PARENTS AND STUDENTS

The Department recognises that some families will be subject to family breakdown. In the absence of any notification to the contrary, it will be assumed that both parents retain a shared and equal parental responsibility for their children and have been involved in making any decisions regarding their children's education. This means that the school will recognise that each parent has equal duties,

obligations responsibilities and opportunities in relation to matters involving the school.

If any changes occur in your family relationships which have the potential to impact on the relationship between the school and your family, you are required to advise the school immediately. This includes providing copies of any court orders that may be obtained.

Stewart House and The Smith Family Clothing Appeal bags have been given to students. If you have any unwanted clothing, shoes, manchester or blankets in good, clean, wearable condition, please

consider filling the bags and returning to school by **Wednesday 17 October, 2018.**

The bags can be left at the office each morning. Your donation helps both Stewart House and The Smith Family to raise much needed funds to continue to support disadvantaged families.
