Support
End of year concert
- **Mon 2 December**—
Extra Curricular
assembly
- **Tue 3 December**—
Playgroup 9-10.30am
Year 7 2020 high
school orientation
Year 6 Farewell

As we get closer to the summer holidays, our students are working extremely hard to demonstrate all of the amazing skills they have developed throughout the year. The teachers are constantly assessing this learning and preparing reports ready to come home to parents at the end of the year.

If you know that your child is going to be absent for any reason over the last weeks of the school year please make sure you let the school know in advance. This will ensure that your child is given an opportunity to reflect on their learning before taking leave.

Preschool Rated Exceeding

I would like to take this opportunity to acknowledge the amazing work of our preschool educators. Every few years our preschool goes through an Assessment and Rating Process, where the setting, the staff, the educational programs, and the school leaders are assessed against the National Quality Standards. These standards are used to assess all long day care, preschools and family day care centres. In August our preschool once again went through this process and was rated **EXCEEDING** the National Quality Standards. This is a great reflection on the amazing practices our preschool educators have in place as well as the caring environment they have created.

Kindergarten Orientation

It has been a few big weeks at Cambridge Park Public School with the arrival of our newest members of the school community over the last two weeks. Our Kindergarten students for 2020 have had the opportunity to spend some time within the classrooms, interacting with our Kindergarten teachers and meeting some of their new friends. Just a reminder that if you have not yet enrolled your child in Kindergarten for 2020 and are planning to do so please make contact with the office as soon as possible.

As we head towards the busy end of the year we look forward to seeing you all around the school at all of the events that are coming up.

Mrs Binns
Principal

Mr Bourke
Deputy Principal

Working together to build quality relationships, engaging learning environments and life long learners

Preschool News

It has been a busy and exciting time at preschool over the last few weeks.

We are very thrilled to receive our rating from our recent assessment and rating process of **Exceeding** under the National Quality Standards. We are very proud of this rating.

Our playground upgrade is progressing well with the shade finalised, the climbing fort hopefully finished by Friday and the new soft fall next week. The children are very excited and cannot wait to explore the area.

The transition to school program finished with the children watching one of the kindy classes practices their assembly item. The preschoolers did an amazing job of saying The Acknowledgement of Country to commence the assembly.

Up Coming events:

- Preschool orientation for 2020 will take place on Wednesday 20th November. The preschool will be closed on this day.
- Preschool graduation and christmas party will be held in the school hall on Wednesday 11th December. A separate note will be sent out closer to the date.

Preschool Educators

Kindergarten News

Thank you for helping your children prepare for the news presentations last week. We had some very interesting discussions about where our families came from.

Congratulations to the Geckos and Miss Maynard for a wonderful assembly item. The class 'Kindness is a muscle' performance was very entertaining and we were very proud of the 'presenters'. Well done!

Our excursion day is nearly here! A reminder to please read the note to make sure you have everything ready for the big day!

As the days are becoming much warmer, please remind your child to pack their hat and drink bottle every day.

Mrs Wallace

Kindergarten supervisor

Anaphylaxis and Us

As mentioned in previous newsletters we have several children and staff members at our school who are anaphylactic. If you are sending food to school to be shared with other children eg: birthday cakes or cakes for sale, please be very careful to read the ingredients and ensure that they do not contain peanuts, tree nuts and nut products. Some of our children are also allergic to eggs and milk.

Please also send in the packet ingredients so that we can check them for ourselves.

Other ways to support us to keep everyone safe are:

1. Talk to your children about allergies and how serious they can be for some people so they must not ever share their food with other children. Its not mean to not share food its keeping people safe.
2. Discuss how important it is to wash hands before and after eating so that food allergens don't get transferred onto other people or their food.

Thank you for working with us to keep our children safe.
