Swimming Carnival
Ribbons
Scholastic book club
order due
- **Tue 26 March** — Playgroup 9-10.30am
- **Wed 27 March**— Cross Country Carnival

Keeping everyone safe through respectful relationships

From time to time parents/carers or other members of the school community may need to approach the school in order to:

- discuss the progress or welfare of own child;
- express concern about actions of other students;
- enquire about school policy or practice;
- express concern about actions of staff ; and/or
- express concern about the actions of a parent/community member.

It is therefore necessary to have procedures that will help solve problems as soon as possible, so that a safe and harmonious school environment is maintained. The best results usually flow from working together.

These guidelines aim to:

- provide a guide in order that concerns are dealt with in an open and fair manner;
- ensure that the rights of students, teachers and parents are respected and upheld;
- support sensitivity and confidentiality, and
- help reach an agreed solution.

On occasion, concerns may cause frustration and anxiety. At such times it is always important to organise a time to talk with school staff in an unhurried, calm and confidential atmosphere.

Note: No parent should directly approach another person's child.

Traditional and innovative teaching in well-managed classrooms

Teachers, Parents and Community Working Together For Successful Schooling.

Concern	Appropriate Action
The academic progress of own child	*Directly contact the child's teacher either by note, by phone or in person to arrange a suitable time to discuss any issues.
The welfare of own child	*For minor issues, directly contact your child's teacher to clarify information. *For more serious concerns, contact office, state nature of concern and arrange a suitable time to talk with the class teacher or appropriate staff member. *To convey information about change of address, telephone number, emergency contact, custody details health issues etc, please contact the office.
Actions of other students	*Contact the class teacher for a classroom problem. *Contact the stage supervisor or principal for playground problems.
School policy or practice	*Contact office, state nature of concern and make an appointment to see the principal and/or appropriate member of staff.
Actions of a staff member	*Contact the office and state concerns to the principal. *Arrange to meet directly with the principal and staff member concerned.
Actions of another parent/community member	*Contact the office and state concerns to the principal. *Arrange to meet directly with the principal *Matters should not be taken into own hands

In very rare cases, where people wishing to express concerns, do so in an aggressive, threatening or violent manner, the principal (or nominee) has the legal authority under the "Inclosed Lands Act" to:

- direct the person to immediately leave the grounds;
- call the police to remove the person should he/she refuse;
- issue a warning or withdraw future permission (by letter) for the person to enter the grounds without permission of the principal, and/or
- seek further legal avenues.

Mrs Binns
Principal

School Photos

School photos are being held on Wednesday 13th March. Order envelopes have been sent home however if you did not receive one please see the office.

There are 2 payment options.

1. place money in the envelope and hand to your child's teacher on the day of the photos
2. pay online and write the receipt number on the envelope and hand to your child's teacher on the day of the photos

Please follow the same process for sibling photos. Please ensure you discuss with your child how you would like their shirt to be in the school photos ie buttons done up or undone, shirt tucked in or out, as your child will be photographed with whichever they have at the time of the photo.

Students are welcome to wear items in their hair such as bows, however please ensure these are not too big that they will obstruct the view of another child who may be behind your child. If this is the case the photographer may need to ask your child to remove the item

Environmental Education Team

This year CPPS has a lot of terrific things happening in the gardens!

We have started a new gardening area behind the library called, The Up-cycle Garden. This garden is made up of old unwanted items that have been given a second life, to show our kids that not everything has to go to land fill and that, just because something is broken, that doesn't mean it is useless.

So far, we have a great worm farm that we have made out of a broken fridge and some old fencing. We feed our worms our food scraps every week and in return they produce our Worm Wee! Worm Wee is one of the best fertilisers for a growing garden and is great for producing big bright flowers and tasty fruits and veggies. We will be selling our

Worm Wee at our Garden Markets so please keep an eye out.

Your gardens will thank you for it .

Another great feature to our Up-cycle Garden is our new greenhouse! It is a greenhouse that we have built using screen doors that were saved from being sent to the tip. The greenhouse is used as a safe place to grow seedlings and other plants, away from the harshness of direct sunlight and in a pest free environment.

Our students have successfully been using the new greenhouse to grow their seedlings before planting them in their garden beds.

Kindergarten news

The Life Education Centre visits have begun this week and will continue next week. Harold and his van have been a big hit so far and the students have enjoyed taking part in many valuable experiences.

Mrs Sirmais continues to support us in the Term 1 Home Reading program. Next term we will begin the school home reading program. Please send in a folder for your child to use for borrowing and to keep the 'reading register' note in.

Homework for Kindergarten has now been organised. We have sent a list of sight words to practice.

Thank you for your support in the mornings in reminding the students to remain in the western quad until the duty teacher arrives at 8.30. They may then put their bags in the bag rooms and move straight back to the playground.

Please remember that we are always available if you have any queries, however we ask that you contact the office to make an appointment to speak to the teacher or supervisor.

Mrs Wallace
Kindergarten supervisor

Preschool News

The children at Preschool are settling into their new routines and are exploring their new preschool environment. We as educators have been extremely lucky to meet all of our new families and share with their children's learning.

The children have had an interest in musical instruments, we have set up a new music area on the veranda and we are currently making musical instruments out of box craft during our indoor experiences.

It is coming to that time again when flu season will be upon us, we would like to thank those who have already donated tissues. We would appreciate any donations of tissues and food packaging boxes for box construction.

Just a reminder could please take the time to fill in the philosophy surveys and return these as well as the slip with your email address to the educators from your class.

School photos – Wednesday 13th March
Preschool Educators

Stage 1 News

Stage 1 continues to be busy. All programs are up and running and the children have settled into classroom routines. We are working hard and already achieving some pleasing results. We do need your help reinforcing our three PBL Focus Areas:

1. Being safe (especially keeping their hands and feet to themselves AT ALL TIMES),
2. Showing Respect (to all adults and children they come into contact with and what that respect looks like)
3. Being an active learner (this means to always try to do their best in all subject areas)

We are seeing that some of our children are forgetting these focus areas and with your support, we are hoping that this improves in the future.

A reminder that our school photos are on Wednesday 13th March. There will be a PBL assembly will be on Friday 15th March, where K-2 SRC representatives will be badged and our first recipients of bronze, silver and gold awards will be received.

If you have any questions or concerns please make an appointment at the office.

Mrs Junge & Mrs Senkbeil
Stage 1 Supervisors

Stewart House Donation Drive

Stewart House Donation Drive envelopes have been sent home. Please return envelope to the office by Friday 17 May for a chance to go in the draw for a family holiday.

Anaphylaxis and Us

As mentioned in previous newsletters we have several children and staff members at our school who are anaphylactic. If you are sending food to school to be shared with other children eg: birthday cakes or cakes for sale, please be very careful to read the ingredients and ensure that they do not contain peanuts, tree nuts and nut products. Some of our children are also allergic to eggs and milk.

Please also send in the packet ingredients so that we can check them for ourselves.

Other ways to support us to keep everyone safe are:

1. Talk to your children about allergies and how serious they can be for some people so they must not ever share their food with other children. Its not mean to not share food its keeping people safe.
2. Discuss how important it is to wash hands before and after eating so that food allergens don't get transferred onto other people or their food.

Thank you for working with us to keep our children safe.

Important information for parents and Students

The Department recognises that some families will be subject to family breakdown. In the absence of any notification to the contrary, it will be assumed that both parents retain a shared and equal parental responsibility for their children and have been involved in making any decisions regarding their children's education. This means that the school will recognise that each parent has equal duties, obligations responsibilities and opportunities in

relation to matters involving the school.

If any changes occur in your family relationships which have the potential to impact on the relationship between the school and your family, you are required to advise the school immediately. This includes providing copies of any court orders that may be obtained.
